LOCAL FOOD WITH A PURPOSE

We Make Eating Local As Simple as Saying YES!

4P Foods is a Benefit Corporation that is working to strengthen opportunities for the local farming community, while at the same time using food as a tool for social justice in low-income communities.

Each week, we bring food curated from our family of farms directly to our customers in and around Washington, DC. We provide recipe

ideas, stories about the growers, and an easy-to-use platform to give our customers flexibility around their deliveries. 4P Foods is proud to be working towards a more sustainable food system for tomorrow: we hope you'll join us.
