ButterflyMX

Smart access for commercial properties

A solution for the modern workplace that provides tenants, visitors, and building staff with property access from a smartphone.

SECURITY:

- See who is entering your property through live video
- Enhance security with time- and date-stamped photos taken every time someone accesses the property
- Manage and open doors or gates with your smartphone
- Grant access to visitors and couriers from anywhere
- Integrate seamlessly with your access control system

CONVENIENCE:

- Manage tenant access permissions from a convenient online dashboard
- Grant one-time or recurring property access — and revoke it at any time

AFFORDABILITY:

- Integrate with your property management and access control system — saving you time and money
- Cut installation costs by eliminating building wiring and in-unit hardware
- Maximize NOI with an in-demand amenity

VIRTUAL KEYS

Create and send recurring or one-time virtual keys for easy guest access. Perfect for vendors, interviewees, and service providers.

ELEVATOR CONTROLS

Connect your key-fobbed elevators to the intercom to create a seamless building entry experience for visitors.

NEVER MISS A DELIVERY

Assign unique delivery PINs to each carrier for seamless access. Couriers without a PIN can call tenants to ensure every delivery.

COMMERCIAL DIRECTORY

Organize your intercom directory by business so visitors can easily find who they're looking for.
